Report:

Community Directory: Forms continue to be submitted / collected and thanks to other councillors for helping out with collecting completed forms if necessary. I hope that we can publish before the end of spring '17 as this was a Development Plan initiative to which almost all in the Parish have contributed.

Llanfair Times: There has been an enthusiastic response to the second edition of the Llanfair Times. The mix of regular contributors and those writing articles for a specific edition has led to an exciting integration of topics and a wide range of writers and subjects.

Welcome Pack: Two more packs have been delivered since the last meeting. Another awaits the new residents moving in. Is it permissible to deliver a pack to Lloyney, I wonder.

New Parishioners' Party: Another successful party was planned and took place in September. We hope to welcome five more new families to another party shortly.
