LOCKDOWN IN WALES

What it means for Shropshire residents

Wales started a 17 day lockdown on 23rd October finishing on 9th November. The conditions of this lockdown are similar to the UK wide lockdown in March. Welsh residents will only be allowed to leave their houses to buy food and medication or to provide care or to do essential work.

What does this mean for Shropshire residents?:

You can **ONLY** travel to Wales to buy food, medication, provide care or work.

Non-essential shops in Wales will close.

You can travel to Wales for work purposes only if this is absolutely necessary.

All pubs, cafes, restaurants, hotels, libraries, gyms, leisure centres, hairdressers and beauticians will be closed.

All gatherings of people from outside a single household will be banned, both outdoors and indoors. **i.e. you cannot visit friends or family from outside your household.**
