### Commonwealth Resounds

### Platinum Jubilee Winning Song

### 'A Life Lived With Grace'

Lyrics: Lucy Kiely Music: Vincent Atueyi Chinemelu

When the world has turned to darkness  
And there's troubled seas ahead  
There's a light that leads the ship back home to shore.

**Chorus** – sung twice

**A life lived with grace. A heart filled with love.  
Peace on earth and harmony in the heavens above.**

When the day is slowly breaking  
And the dawn can't find its way  
There's a sun that shines upon the world,  
heralding a brand new day.

**Chorus** – sung twice

When the night has come a-calling  
And the daylight starts to fade  
There's a reason why the world rejoices,  
singing all as one today.

**Chorus** – sung three times

**This song will be sung by 'Llanfair Singers' at the Llanfair Waterdine Jubilee Beacon on Thursday 2<sup>nd</sup> June at 9.45pm, at the same time as over 500 choirs perform it within the Commonwealth. All present are asked to join in with the Chorus. *(So get there in plenty of time – Ed)***

## Get cooking!

The **OFFICIAL PLATINUM PUDDING RECIPE** will take some pluck! But if mine looks anything like this I'll be more than happy.

For this recipe you will need 2 Swiss roll tins, measuring approximately 24cmx34cm/9½inx13½in and a trifle dish with capacity of approximately 3.5 litres/6 pints.

20 servings, however, you could always halve the recipe to serve 10.

Preparation time over 2 hours  
Cooking time 30 mins to 1 hour

### Ingredients

#### For the Swiss rolls

- 4 large free-range eggs
- 100g/3½oz caster sugar, plus extra for dusting
- 100g/3½oz self-raising flour, sieved
- butter, for greasing

#### For the lemon curd

- 4 large free-range egg yolks
- 135g/4¾oz granulated sugar
- 85g/3oz salted butter, softened
- 1 lemon, zest only
- 80ml/2½fl oz fresh lemon juice

#### For the St Clement's jelly

- 6 gelatine leaves
- 4 unwaxed lemons
- 3 oranges
- 150g/5½oz golden caster sugar

### For the custard

- 425ml/15fl oz double cream
- 3 large free-range egg yolks
- 25g/1oz golden caster sugar
- 1 tbsp cornflour
- 1 tsp lemon extract

### For the amaretti biscuits

- 2 free-range egg whites
- 170g/6oz caster sugar
- 170g/6oz ground almonds
- 1 tbsp amaretto
- butter or oil, for greasing

### For the chunky mandarin coulis

- 4x tins mandarins, around 300g each
- 45g/1¾oz caster sugar
- 16g/½oz arrowroot (2 sachets)
- ½ lemon, juice only

### For the jewelled chocolate bark

- 50g/1¾oz mixed peel
- 1 tbsp caster sugar (optional)
- 200g/7oz white chocolate, broken into pieces

### To assemble

- 600ml/20fl oz double cream

### Method

1. To make the Swiss rolls, preheat the oven to 180C/160C Fan/Gas 4. Grease and line the 2 Swiss roll tins with baking paper. In a large bowl, beat the egg and sugar together with an electric hand whisk for approximately 5 minutes or until light and pale. Using a metal spoon, gently fold in the flour. Divide between the two tins and bake for 10–12 minutes or until the sponges are lightly golden and cooked through.
2. Sprinkle some extra caster sugar on two sheets of baking paper then turn the sponges out onto the sugared paper. Peel off the paper from the underside and, while still warm, roll them both up from

the short end into a tight spiral using the paper to help. Leave to cool.

3. To make the lemon curd, place the egg yolks, granulated sugar, butter, lemon zest and lemon juice in a glass bowl over a saucepan of simmering water (don't let the bowl touch the water). Whisk until combined and whisk continuously as the curd cooks until thickened. This should take about 15 minutes. Pour into a clean bowl and set aside to cool.
4. To make the St Clement's jelly, soak the gelatine leaves in cold water for 5 minutes to soften. Using a vegetable peeler, peel 6 strips from a lemon and 6 strips from an orange and put these into a saucepan with the sugar and 400ml/14fl oz water. Bring to a simmer over a medium heat, stirring occasionally until the sugar has dissolved. Remove from the heat and discard the peel. Squeeze the water out of the gelatine and stir into the pan until dissolved then leave to cool. Squeeze the lemons and oranges, so you have 150ml/5fl oz of both lemon and orange juice. Stir into the pan then strain the jelly through a fine sieve into a jug and chill until cool but not set.
5. To make the custard, place the cream in a saucepan over a gentle heat and bring it up to simmer, stirring occasionally with a wooden spoon. In a bowl, whisk together the egg yolks, sugar, cornflour and lemon extract, then gradually pour the hot cream into the bowl whilst whisking continuously. Immediately return the whole lot back to the saucepan and continue whisking over a gentle heat until the custard is thick and smooth. Pour the custard into a jug or bowl, cover the surface with greaseproof paper and leave to cool.
6. To make the amaretti biscuits, preheat the oven to 180C/160C Fan/Gas 4. In a large bowl, beat the egg whites until firm. Mix the sugar and almonds gently into it. Add the amaretto and fold in gently until you have a smooth paste.
7. Place some baking paper on a baking tray and lightly brush with butter or oil. Using a teaspoon, place small heaps of the mixture approximately 2cm/¾in apart, as

they will expand during cooking. Bake for approximately 15–20 minutes or until golden brown. Remove from the oven and set aside to cool.

8. To make the chunky mandarin coulis, strain two tins of mandarins. Discard the juice and put the fruit into a saucepan with the sugar and heat gently until broken down. Remove from the heat. In a small bowl, slake the arrowroot with 2 tablespoons cold water then add to the warm mandarins. Add the lemon juice and mix well before pouring into a large bowl. Strain the remaining two tins of mandarins and add the fruit to the bowl then leave to cool completely.
9. To make the jewelled chocolate bark, if the peel feels wet or sticky, roll in the caster sugar to absorb any moisture. Melt the white chocolate in a bowl sitting over a saucepan of gently simmering water. Pour the white chocolate onto a baking tray lined with baking paper and scatter over the mixed peel. Leave to set then break into shards.
10. To assemble, unroll the cooled Swiss rolls and spread with the lemon curd. Roll back up again and slice one into 2.5cm/1in slices and place upright around the bottom edge of the trifle dish so the swirl is visible. Slice the other Swiss roll into thicker pieces and use these to fill the bottom of the dish, ensuring the top is roughly the same level as the slices that line the edge. Use off-cuts of sponge to fill any gaps.
11. Pour the St Clement's jelly over the Swiss roll layer and set aside in the fridge to completely set. This will take approximately 3 hours. Once set, pour over the custard then arrange a single layer of amaretti biscuits, keeping a few back for the top. Pour over the mandarin coulis. In a large bowl, whip the double cream until soft peaks form then spoon this over the coulis. Crumble over the reserved amaretti biscuits and decorate with the chocolate bark shards.

## Recipe Tips

As a shortcut for this recipe, you can use ready-made versions for most of the components and just make the Swiss rolls and mandarin coulis from scratch.

For the lemon curd, use 300g/10½oz ready-made lemon curd. Instead of the St Clement's jelly, use 1 packet of lemon-flavoured jelly and follow the packet instructions to make 568ml/1 pint.

For the custard, use 500ml/18fl oz ready-made custard.

For the biscuits, use 100g/3½oz ready-made amaretti biscuits.

Instead of making the jewelled chocolate bark, you can finish this trifle by scattering over the reserved amaretti biscuits, mixed peel and 50g/1¾oz white chocolate chunks.

## MEMORIES. By Brenda Davies (nee Jones)

I am now in my nineties  
A lifetime ago  
The years have passed quickly -  
Tho' at the time they seemed slow.  
The war years seemed endless,  
And hard to endure.  
No sweets for the children  
No sugars or fat.  
No petrol for shopping ,  
For the few who had cars,  
Just "Owens Motor Buses"  
Knighton could have been on Mars !

After schooldays were ended at  
The age of fourteen,  
School friendships vanished as friends  
Were never seen.  
They may have met briefly in Chapel or Church,  
Or at Harvest time in the hayfield,  
As the hay cocks were dispersed.

Life was boring for teenagers then,  
Mainly "work and no play" was the  
Order for each day.  
Then " out of the blue" -  
A ray of sunshine shone thro'.  
Some ones great idea became a fact

And lessened the boredom which,  
Was then so intact.  
Someone, somehow and somewhere,  
In our countryside, took the view ,  
That countryside teenagers -if only a few -  
Deserved to "meet up" and have fun days and nights,  
Whilst together they lived, learnt and laughed.

LLANFAIR-WATERDINE YFC was formed.

In Llanfair our meeting place was always the school.  
Used for concerts, whist drives, wedding parties and pool.  
Meeting were always alternate Tuesdays.  
Our first meeting, I think, was in summer 1944.  
I was sixteen and Jocelyn was fourteen, with  
"Exams looming at our door".  
We were both now pupils at Presteigne Grammar School,  
Having passed the "Eleven Plus" a few years before.

Our first elected "Chairman" was a Land-Girl , who had  
Been posted to Cwm-Brain. Miss Dorothy Tyldesley, who  
Understood the ritual a Chairman needed.  
The Vice-Chairman was a farmer from Pentrusco, Heyope.  
Westall Price, who poor boy, had to take over the "Chair" as  
The war ended in 1945 and the Land Army ceased to exist.  
I was elected Club Secretary, to my mother's disapproval, as  
I was due to sit my school certificate that year, and should be  
"Swotting". Not arranging YFC affairs, including many YFC  
Dances , with our local Dance Bands. A Mr Wilf Gough  
,  
(Panpwnton) and his "Scarlet Troubadours" , also  
Miss Nesta Price and "The Bucknell Dance Band".

We met for Carol Singing evenings, when we walked  
from Llanfair to  
Lloyney singing - not always very melodiously - at  
most households.  
We gave the money collected to Cancer Research.  
We attended County Meetings of Shropshire YFC.  
Us Girls cooked, stitched and sewed ,whilst the  
Boys judged, shored or mowed.  
Our talents were judged highly.  
We also had lessons in Country Dancing, and because  
we were so good,  
We were asked to dance before the now Queen, in  
Shrewsbury, at the

West Midland Show in 1950.

We had a good tutor, who came from Shrewsbury and  
a highly graded pianist,  
Who helped us perform before the then Princess  
Elizabeth.

Our boys had days of hedging and many other farming  
tracts, whilst us  
Girls had days of cooking and other kitchen facts.  
Food and petrol were still rationed, and so was  
clothing too.  
But most people walked or cycled and most each  
other knew.  
Every-one was friendly and very helpful too.  
No water piped to houses - unless your house was  
new.  
Some villages had a water pump, from which water  
could be got,  
Then used sparingly, with not too much in the pot.  
Radios were fuelled by batteries, which needed  
charging each week.  
TVs were unheard of, for electricity came much later  
or it was new.  
Our Churches and our Chapels had two services each  
Sunday.  
Each had a large congregation, some from several  
miles away.

New inhabitants made us famous,  
Have only just thought of that  
John and Joy moved to our parish  
And "put us on the map".  
John was in the Army and so  
"For safety's sake" Joy moved from London  
With "four toddlers still in her lap".

She joined our YFC and became a leader too,  
Got us involved in acting, which to us was very new.  
We put on plays and danced and sang  
In neighbouring villages too.  
Llanfair became quite famous. which to us was very  
new.

Yes, to-day life is much easier in so many ways.  
Most people live longer,  
Their prescriptions rule their days.  
In my nineties I can look back to teenage happy years.  
Many friends have departed,  
But we will meet again one day.. and reminisce.  
We were all country people, in the Teme Valley ,born  
and bred  
Who knew and helped each other  
And so .. what more can be said.

*Brenda Davies (nee Jones)*

## The Pavilion

The clocks have changed, the weather is lovely, and the socials are back in full swing every Friday night. It is lovely to see so many people coming to enjoy a drink on the patio whilst the children play safely and happily in our new play park

.As mentioned in the last edition of LT, we were in the final stages of purchasing the play park. This is now erected and fully functional with a secure fence to keep children safe and dogs out. The popular boules game is also going very strong with some quite competitive players. The boules pitch can be used any time, not just during socials, as can the play park.

We have now purchased some soft seating chairs and small round tables which gives a more comfy and friendly feel to the pavilion. The committee are very pleased to announce we have three new people who have come forward to join the committee or help run the socials and other events. You will see their new faces behind the bar over the next coming weeks.

The committee is now in the 'Queens Platinum Jubilee' mode, getting ready for a busy weekend of events which include a live stream of the 'Party in the Palace' along with complimentary hot pork baps on Saturday and Live music, Sports & complimentary BBQ on Sunday evening. Please see our Facebook page 'The Community Pavilion Llanfair' and notice board for this event and any other events in the future.

The pavilion is used on a regular basis for yoga (twice a week), dog training and play group which all provide a great service on our doorstep for the community, however, unfortunately due to low attendance, the panache dancing is no longer going ahead.

We would also like to thank Llanfair Waterdine Community Trust for installing Wi-Fi at the pavilion, which will be available to the public to use at any time and all users of the pavilion.

Please see our events page on the website [www.llanfairwaterdinecommunitytrust.co.uk](http://www.llanfairwaterdinecommunitytrust.co.uk) or Facebook page 'Llanfair Waterdine Community Pavilion' where we regularly post events, new clubs and news. We also advertise any events on the

exterior notice board at the pavilion, a board at the carpark and a board opposite the Lloyney Inn.

As ever, we are always happy to have new members, so if anyone would like to join, please contact us at;

## Llanfair Waterdine WI

In March we had a wonderful talk from one of our own members, Andrea Moore. I think that we all discovered a new world of Japanese Art. The power point presentation showed us the journey of Hiroshige as he recorded his pilgrimage in Japan through woodcuts which were not only full of character and humour but also showed the social history of the period. Thank you, Andrea: it was a treat.

April was a presentation by Helen Anderson of the Knighton and Presteigne Food bank. We know what an essential service it provides but it was good to hear it explained in detail and to understand who and what they actually support. I think that we were surprised by the need for baby products.

May was presented by Ann Cummins, a graphologist, who showed us the handwriting of some famous and infamous personalities and

explained how their handwriting shows the characteristics of their personalities.

At the moment, members are busy preparing exhibits for the Powys Radnor Federation County Show which will take place on 18<sup>th</sup> June. It is open to anybody to visit and there are always wonderful craft and cooking exhibits. It takes place in Knighton Community Centre which means it is very accessible to everyone who receives this magazine. Please pop in.

Our future speakers are: June - 'A Journey with Dementia' - Sue Lovell; July - 'A Fibre Artist' – Lynn Kisey; August – 'Canoeing the Pipe' - Andy Holman, and in September – 'A History of Social Housing' - Mike Rix. We like to have speakers who cover a wide variety of interests.

In the immediate future we are looking forward to supporting the Everest Hall with their plans for the Queen's Platinum Jubilee Celebrations and are organising our own special event on 2<sup>nd</sup> July to celebrate our 90<sup>th</sup> Anniversary.

Our meetings are held in the Everest Hall, Llanfair Waterdine, on the first Friday of every month and we are always pleased to welcome guests at 7.30pm to share our speaker and our supper. The exception is June when our meeting is on Wednesday 1<sup>st</sup>, due to the Bank Holiday.

Please visit us and find out what we are all about. For further information please contact Margaret Clugston on 01547 529155 or me on 01547 528477.

## St. Mary's Church

### 'Grass Cutting' Coffee Mornings all at 11.00 am

June 1<sup>st</sup> hosted by Margaret and Leon Drewnicki in their home, Birches Gate.

July 6<sup>th</sup> hosted by Ruth Davies in the church.  
All welcome.

### Easter Week

Easter Day saw us welcome the former Archbishop of Wales, Bishop John Davies, to take our service. We were pleased to welcome him although sadness had been expressed that we couldn't have our own Vicar for our Easter Day service. However, Martin was already at two other churches that morning and we did have him with us at Christmas. In addition, Martin has been more than generous with his time since then.

Bishop John conducted a wonderful service. It was attended by 67 local people: more than on Easter Day for some time. Llanfair Singers contains many who are churchwardens where they live. It also has five organists, so, it being a special day which could not be missed in people's 'home' church, Llanfair Singers was a smaller group than usual. However, the performance of 'Hallelujah Chorus' at the end of the service, with a spell-binding accompaniment from Sean Farrell, made the service far from ordinary (and also his 'going out' voluntary at the end, except no-one went out: everyone listened). Afterwards, and after the applause, we all had coffee and cake outside, it being a lovely spring day. Our three Holy Week services were attended by a total of 134 people, which must be a record.

### **'Pilgrimage of Song'**

On the afternoon of Saturday 14<sup>th</sup> May, St Mary's Church welcomed the 2022 'Pilgrimage of Song' led by Revd. Annie Ballard and Geoff Weaver. The choristers rehearsed in the church and then held a service of words and music based on 'Pilgrim's Progress'. The group had held a service at Heyope in the morning and then walked to Llanfair Waterdine. This occasion was incredibly moving. It was good to be able to host Pilgrimage of Song this year as COVID had forced a cancellation in 2021.

### **Church Library**

We are hoping to set up a church library with books for sale as follows: hardbacks - £2.00 and paperbacks - £1.00. Watch this space!

### **Photo Postcard of the church.**

When David Morgan floodlit the church at Christmas Michael Symonds, a PCC member, took a photo. The photo is now available in the church for 50p and can be used as a postcard or greetings card. It is beautiful. Many thanks to Michael for donating the cards and for spotting the photo opportunity in the first place.

### **Operation Hedgehog**

Exciting news! We have a hedgehog in our churchyard. It looks as if it is finding peace and quiet and a convenient place to make a home. It has its special house, into which predators cannot go and also a box into which dog food is placed

two or three times each week and which disappears!

### **Christmas Shoebox Appeal**

We hope to offer shoeboxes for people to fill with small, inexpensive toys. The shoeboxes will be available from the church. By offering the boxes now there will be no rush to fill them at the last minute. Please phone me for a box. The boxes go to young children for whom presents from parents can be impossible, especially this year.

### **Annual 'May-Day Church Coffee Morning**

The **May Day Church Coffee Morning** raised well over £500. Many thanks to all who came, to all those who set up the hall and looked after the stalls and coffee and to Denise and Rob Taylor for their organisation.

Raffle prizewinners were Sue Lane, Brian Minniss, Barbara Carter, Beryl Evans and Brenda Wood.

**Everest Hall 'Tea Stop'** This is held monthly on the second Saturday morning from 10.00 am until 12.00 noon, so in June this will be the 11<sup>th</sup>. Please come and enjoy a drink and a social get-together.

The next **'Reflection' Service** will be held at 6.00pm on Wednesday 8<sup>th</sup> June.

### **Her Majesty's Platinum Jubilee Celebrations**

Comprehensive plans for the Platinum Jubilee celebrations from June 2<sup>nd</sup> to 5<sup>th</sup> have been detailed fully in the March edition of Llanfair Times and on the Parish Council website. Llanfair Singers will sing on June 2<sup>nd</sup> at 9.45 pm at the Parish Beacon near the Turbary Field. Along with over 500 Commonwealth Choirs, performing in their own countries at the same time, Llanfair Singers will sing the winning song in the Commonwealth Resounds competition, 'A Life Full of Grace'.

St. Mary's Church will have a celebratory Sunday service on 5<sup>th</sup> June at 11.15 am. The Platinum Jubilee Flag will be flying from the Church flagpole.

## Back to the Future

As some will know, our Easter service was conducted by the former Archbishop of Wales, Bishop John. He was pleased to be asked and the congregation was pleased with the service. However, some will not know how this one Easter service echoed some thinking from the 1980's. At the moment our Electoral Roll is pleasing, with record numbers; those attending services is pleasing. But what is not pleasing is the feeling, thought or fear that, despite this, the hierarchy within the Hereford Diocese might seek to close our church. So, possibly, we should recall that in the 1980's one especially enlightened and far-sighted Vicar believed we should align with the likes of Beguildy and the Church in Wales. It was agreed this made sense given our geography, our social lives, schools and auctions. It was agreed that we have much more connection with the Teme Valley than Hereford.

What many will not know, or remember, is that some services and weddings were taken by the Rev. Martin Davies, Vicar of Beguildy. Sadly, for some, the 'thinking' was lost, possibly through lack of imagination or discussion. So, the photo loaned by Sarah Stainthorpe, nee Cummins, could be an illustration of a 'lost opportunity'? : a wedding in 1987 with, as guests will recall, Rev. Martin Davies instrumental in the proceedings. Some will remember that it was not the only service or wedding he conducted in Llanfair Waterdine. Now, some thirty years plus later, possibly with our church under threat, should the congregation of St Mary's Church and the parish of Llanfair Waterdine revisit the discussion of aligning with Beguildy and the Church in Wales?

Back to the future.

## LLANFAIR SINGERS CHAIRMAN'S DIARY

As you read this we will have just said farewell to the Stour Valley Singers whom we hosted for our joint concert in Knighton. Over the years the support of the Llanfair community in attending our concerts has been incredible and we do thank you for that. It has enabled us to donate over £10,000 to charity. There are also times when you have supported us in raising funds to purchase additional music – a very wise investment since no-one wishes to hear the same songs every time!

I am sure that we shall have enjoyed the same warmth of support this time – even though, on this occasion, we were the wrong side of the border.

I was surprised to learn that some people think that we only sing religious music – probably because they have been in church and heard us sing, or they have seen our photos in the press. We are certainly very lucky that our reputation for choral singing is such that we are regularly invited to sing in both Churches and Cathedrals around the country – from St David's to St Paul's and as far North as Durham.– **BUT, NO**, it is definitely not the only sort of music that we sing.

It is the variety of music that our Directors of Music, Graham Trew and Richard Lewis, present us with that keeps us all enthused and happy. If you've come to our concerts you will have heard us singing every sort of music – songs made famous by Sting, Elvis Presley, Queen, the King's Singers, Flanders and Swan, George Shearing, Jerome Kern along with a host of others. However you look at it, that is a very diverse selection of music.

Some people wonder why they never see all sixty members of the choir singing together – It's probably because they haven't come to a concert – or a rehearsal!

Concerts are amongst the few times that you can hear the whole choir because, in churches and even Cathedrals, the available seating limits the numbers that can attend – which means that sopranos and altos can be rotated and have time off - but for our 4 Tenors and 5 Basses there is no rest (and wickedness has nothing to do with it!)

You may wonder why the Llanfair Singers is so large? Because it's such fun and we all enjoy it so much. I don't know what you do between 7.30 and 9.30pm on a Thursday night (*maybe I'm better off not knowing!*) but **we** have a great time -enjoying singing; enjoying learning new music and new skills, enjoying each others company – enjoying our coffee break - the motto of the choir is friendship through music and that is what we live by. Real fun; Real fellowship; a great social life and a common interest.

We may be a large choir – but there is always room for more. If you are interested just let us know. You won't regret it – sixty of us can't be wrong!

**Seasonal Tips for the Gardener's Year**

Summer is on its way. With the risk of frost now less likely it is time to put out tender plants.

It is time to plant out lettuce seedlings, courgette plants and runner and French bean plants, pumpkins and butternut squash.

Sow radishes and spring onions. If you do not have a greenhouse try planting ridge cucumbers.

Continue to deadhead daffodils and tulips unless you wish them to seed themselves around.

Plant out dahlias which have been growing on indoors. Put supports around tall dahlias and if you see pieces have been nibbled out of the

flower petals put a small flowerpot stuffed with straw on one of the supports. This problem is probably caused by earwigs which can be removed from the flowerpots and destroyed.

Hanging baskets can now go outside if you have been growing them on in the greenhouse. Tender bedding can also be planted out now. Keep an eye out for slugs and perhaps make a slug trap with a basin buried to within one cm or half an inch of the rim and filled with a mixture of beer and water. Put a raised cover of perhaps a tile over the top supported on stones just over the basin. Check frequently and empty and refresh contents regularly. Do not use slug pellets if at all possible because a hedgehog could eat the dead slugs which could possibly kill the hedgehog.

If you have not done so, it is time to pot on your tomato plants and sweet peppers.

Earth up your potatoes to prevent those near the surface from going green.

June is the time to plant out brassica plants such as sprout, kale, cauliflower and broccoli, also leeks.

Plant sweetcorn in a block to help the windblown pollen to set the seeds in the cobs.

Sow wallflower seeds for putting into pots for next spring's displays.

Keep on top of weeding which competes with your plants for nutrients.

Sow more radishes, spring onions, lettuce etc. as soon as the first sowing is up and growing well.

Cut back whippy shoots on wisteria in July and prune properly in February next year.

Sow hardy biennial seeds like foxgloves for planting out in the autumn.

In August, keep cutting sweetpeas to keep them flowering for longer. Cut back lavender after it has flowered. Keep pots and hanging baskets well-watered and deadheaded regularly to keep them going.

Enjoy your garden.

## COMMUNITY TRUST

As you may already know there are a few new faces on the Community Trust. We would again like to thank the outgoing Trustees for their extreme dedication and hard work. There are certainly some big shoes to fill.

There are currently a number of awards that the Trust is working on. The awards cover a variety of areas and will provide financial support to young people to help them broaden their experiences and accomplishments. These awards will not only benefit the individuals/families they are awarded to but we hope they will benefit the community as a whole. All recipients have agreed to share

their experiences with the community, whether that is writing about their experiences or showcasing the skills. We welcome any members of the Llanfair Parish or environs to write to us for support if they wish to apply for an award in the following target areas:

### **Applications will be considered for:**

- 1.** Grants to individuals, families or groups on the basis of exceptional or challenging circumstances.
- 2.** Bursaries to young people to help them broaden their experiences and accomplishments.
- 3.** Partnerships with groups seeking similar goals to our own.
- 4.** Sponsorship of projects that will be of sustainable benefit to the community.

With regard to the land management, we are pleased to say all grazier's agreements have been signed and also the payment schemes have been submitted for this year. With the reduction in traditional payments the Trust have applied for and been successful in receiving a conservation grant for 'The Triangle.' This is a well-loved piece of land that can be enjoyed by all, it is situated next to the Offa's Dyke Path, The Turbary and is in situated near to nesting locations for Lapwings and Curlews.

The aim is to enrich the area creating a more biodiverse land parcel, which is not jeopardising existing habitats. The Trust are pleased to report that Shropshire Hills AONB have provided a grant of £1,000 to aid improvements and a professional assessment of this area by an Ecologist to provide a mini-management plan. The Trust are looking to involve as many of the local community in the project and would ask anyone interested to get in touch via our Trust email address: [llanfairwaterdineTrustees@gmail.com](mailto:llanfairwaterdineTrustees@gmail.com) .

Anyone without access to email, please use the post box situated at the entrance to the Pavilion and we can look to respond accordingly.

There are still some ongoing developments as we hope to further support the Management committee with the improvements at the Community pavilion. A new children's play area is now built with a picket fence surround and is being enjoyed by many of the local families in the community. There is now also Wi-Fi available in

the Pavilion, this is a huge asset for the community and will allow a wider range of events to be held here as well as allowing the methods of communication to be improved in a rural area.

Finally, we look forward to the many Jubilee celebrations that are being hosted by our community groups, we encourage everyone to get involved and support the events and we hope to catch up with you there.

Best Wishes,
